

## LAND USE COMMITTEE

Virtual Meeting via Zoom

January 14, 2021 7-8pm

- 7:00 Welcome and agenda review
- 7:05 Joanne Hardesty has been assigned PBOT and OCCL.
- 7:10 TGM Planning Effort Update
- Scope of work; timeline. Public outreach begins now: what are our pressing concerns for the future of our area?
  - Meeting Jan 27, 2021: TGM project manager Marty Stockton will talk to us about equity concerns – equitable ability to reach destinations and anti-displacement measures.
- 7:15 New speed limits on SE Flavel Drive (20mph) – including Clackamas County stretch (25mph). Thank you, Kristin Parker and Dunja Jennings.
- 7:20 Trees and Parks
- Parks & Recreation. Voters approved the operating levy. The revitalized Parks & Rec program will begin in summer 2021. Springwater Connector almost complete.
  - Tree work by Kim Hill and Loralie Cole. See [www.treesforlifeoregon.org](http://www.treesforlifeoregon.org)
- 7:25 97206 is now one of hottest housing market zip codes. The commercial lot at 52nd-Flavel is still for sale.
- 7:35 TriMet. In addition to the pandemic and longstanding systemic challenges, TriMet must begin search for a new general manager. BDNA will amplify public outreach.
- 7:40 PurpleAir network – Possibility of joining Reed College PM2.5 monitoring network.
- 7:45 Do not lose sight of: B-D cars parked too close to intersections (cycling orgs yet to be contacted); Residential Infill Project – analysis; speeding on Flavel Drive and other streets; sidewalk infill, greenway coming to B-D.
- 7:50 Other business
- 8:00 Adjourn
- Next Meeting: February 11, 2021**
